PRINCIPAL'S UPDATE

October 4 2024 | Autumn Term 2024

Dear Parents and Carers,

We wanted to end the week by saying a big congratulations to the students below, who were the students in their respective Year Groups with the most golden tickets. As we embed this new initiative, designed to reward persistent hard work and effort, we want to see all students collecting these golden tickets, and proudly showing their tutors and their parents. As we move through 2024-25, these Golden Tickets will feed into prizes and rewards.

It is my pleasure to also share some wonderful news about one of our students. Kwasi (Green Tie) has recently been elected into the London Youth Assembly and we are incredibly proud of his achievement. Below, you will find his comments on his experience so far:

'I was recently elected into the London Youth Assembly and had my first meeting last month and we discussed with Len Duvall, the Deputy Chair and longest surviving London Assembly member about youth services and how we plan on working with the London Assembly workers in the coming months. The experience so far has helped me to talk to people in politics and taught me how these meetings work!'

We are immensely proud of Kwasi and look forward to hearing more about the future developments of his work.

We are excited to announce that our Purple Ties students will be participating in a singing competition where they are acknowledging British women in music. The event will take place on the 24th of October 2024 at 5:30pm in the Music room (Room 14). The winners of the competition will then perform again at our annual Winter Showcase in December.

Please book the date and we will send an invite letter.

I am also pleased to share a special webinar aimed at helping parents support their teens in navigating body image issues. You can find more details via the [link](#). We believe this will be a valuable resource for our community.

Finally, I would like to remind everyone of the importance of using designated drop-off areas when bringing your children to school. It has come to our attention that some parents have been using the pavement and pedestrian areas to park and drop off their children. This practice poses a significant risk to the safety of our students, staff, and other pedestrians.

To ensure the safety and security of everyone, we kindly ask that you:

- Avoid parking or stopping on the pavement or in pedestrian areas.
- Exercise extra caution and be mindful of pedestrians, especially near the nursery and school entrances.

Your cooperation is crucial in helping us maintain a safe environment for all. We appreciate your understanding and prompt attention to this matter. Together, we can ensure the safety and well-being of our school community.

Thank you for your support. Wishing you a lovely weekend.

Kind regards,

Ms Dohel
Principal

Kwasi at the London Youth Assembly
