

Principal's Update

Dear Parents and Carers, here's what has happened at EBA this week,

EBA Royal Marines CCF

The CCF embarked on a training operation in Surrey. They practised section patrols and communicating with hand signals as well as contact drills and breaking contact. They also cooked ration packs for lunch and kept a cheerful demeanor in the face of bleak cold and wet conditions.

Bank of England trip

Our trip to Bank of England this week complemented the Year 9 maths curriculum by demonstrating the real-world application of concepts such as percentages, ratios, and statistical analysis. It also encouraged critical thinking and problem-solving skills, as students engaged in activities designed to simulate financial decision-making.

Bush Theatre trip

Our recent visit to Bush Theatre visit was a fantastic experience for the students. They had the opportunity to engage with diverse young professionals working at the theatre, gaining first-hand insights into how a theatre operates. The day culminated with the students attending a captivating theatre production, providing them with an enriching experience that combined learning with cultural exposure.

Rewards cinema trip

We recently celebrated the hard work of our students at Ernest Bevin Academy with a rewards cinema trip to Cineworld, Southside. This trip was a reward for students who demonstrated excellent attendance, earned a high number of positive praise points and make good academic progress in their core subjects. This was a wonderful opportunity to recognise and celebrate their dedication and achievements.

Apprenticeship trip

We took students to a National Apprenticeship Week event with Wandsworth Council. The event covered apprenticeship opportunities, internships, and work experience in various careers and industries. It provided valuable insights for our students to explore their future career paths.

UKMT Maths challenge results

This maths challenge was based on 25 problem-solving multiple-choice questions and students were asked to complete the test in 60 minutes. This test was for year 10-11

14 FEBRUARY 2025

students, they sat in this exam and they have successfully managed to secure:

- 1 gold
- 4 Silver
- 4 Bronze
- 1 certificate of Participation

A huge congratulations to them all!

Hall and Drama building project

We are making really good progress. Please note that the scaffolding is planned to be removed straight after half term and should take 2 weeks. This will take place throughout the day and as always we ask parents to ensure their child follows the school expectations whilst the build works are going on.

Haircuts

This is a gentle reminder about our school's haircut policy. Please ensure that your child's hairstyle does not follow extremes of fashion, such as shaved heads, large patterns, or dyed hair. Hair should be in keeping with the formality of the school.

Thank you for your cooperation.

Wishing you a restful break and we look forward to next term.

Kind regards

Ms Dohel
