PRINCIPAL'S UPDATE

September 13, 2024 | Autumn Term 2024

Dear Parents and Carers,

The term has continued really positively this week and I am pleased that students are working hard and engaging well with their learning. Our new golden ticket scheme is running successfully and I am thrilled with the number of students who are receiving tickets and are proudly expressing their delight. We also started daily shout outs on Wednesday to a student of the day – someone who has gone above and beyond and deserves recognition; this week I congratulate Yellow Tie, Alfie, Green Tie Libaan and Year 13 student, Sivaindran for receiving a shout out.

We have started some extra-curricular clubs; more will follow next week and a full timetable will be available on our website in the coming weeks. We hope all students find a club they enjoy that will also enhance their learning experience at school.

We do now have a zebra crossing at the busy junction outside school. Please speak to your child about using this crossing; for their safety they should not be running across the road.

As a reminder, our information evenings should be in your diaries for next week and all students should attend with their parents/carers.

I look forward to seeing you all next week and wish you an enjoyable weekend.

Kind regards,

Ms Dohel
Principal
