PRINCIPAL'S UPDATE

October 18, 2024 | Autumn Term 2024

Dear Parents and Carers,

We are delighted to bring you this week's updates and achievements from our school community. From outstanding performances in sports to remarkable academic endeavors, our students continue to shine and make us proud. Read on to discover the latest news and celebrate the successes of our talented pupils.

Careers Assemblies

This week has been an exhilarating journey for our students as we delivered a series of dynamic careers assemblies. These sessions were thoughtfully designed to ignite inspiration and expand their horizons, revealing the wide range of future pathways available to them. Throughout the assemblies, students delved into the essential skills, qualifications, and exciting opportunities that various careers offer.

We believe these assemblies have not only provided valuable insights but also sparked vibrant discussions at home about future ambitions. It's our hope that these conversations will emphasize the importance of aligning their academic subjects and skills with their personal interests and long-term goals.

We are thrilled to see our students embark on this journey of self-discovery and look forward to supporting them every step of the way!

Football Fixtures

Following on from last week's victories, we are thrilled to share some fantastic news from this week's football fixtures. Both our Yellow and Red Ties teams have triumphed once again, showcasing their incredible skills and teamwork on the field. Congratulations to all the players for their hard work and dedication. Let's continue to support and cheer on our teams as they strive for more successes in the upcoming matches! Match results are below:
